

## **Rome Town Hall**

### **Rome Water Quality Committee**

#### **Public Meeting**

**Thursday, April 11 at 7 PM,**

#### **How our tax dollars are being productively used!**

Representatives from the 7 Lakes Alliance and the Belgrade Lakes Association will be giving a presentation on how our tax dollars have been used to help improve the water quality of North Pond, Great Pond and Long Pond.

**Come on down! It will be fun and educational.**

The agenda is:

1. Safety moment
2. Audience introductions and audience expression of their concerns or topics they wish to have addressed
3. Report on how the 2023 Rome water quality funds were used – 7 Lakes Alliance (Peter Kalin & Bert Languet?) – 5 minutes, data, and results
4. A report on the Watershed based management plans for North Pond, Great Pond, and Long Pond – 45 minutes (Pete Kalin or the 7 Lakes Alliance team)
  - a. Data and results
  - b. Quantification of results
  - c. Quantification of activities
5. Discussion where we go from here – potentially led by Peter Kalin o -- 30 minutes
6. Summary of actions developed – Andrew Cook
7. Meeting review – what went well, what can we improve upon – committee & audience
