Department and Committee Reports:

Road Commissioner, Carroll Bubar reported that he has had a few complaints about the winter/snow road conditions. Bubar has reached out to our snow removal contractor to relay the complaints he has received. Bubar also reported that he is expecting wet and muddy conditions on the dirt part of the Ladd Road and the Oak Ridge Road. Bubar will keep an eye on the condition of the roads and address them as needed. Bubar was made aware of a car that was blocking the snowplow from completing its route. Bubar will attempt to contact the owner and let them know that they are not permitted to park there and block the road.
